

DIRECTOR OF PHARMACY

Florida Hospital Orlando is currently looking for a Director of Pharmacy who will be responsible for program management of the inpatient/outpatient pharmacy for our 1,118-bed facility. The qualified candidate will be involved with our state-of-the-art Cardiac and Transplant programs and will have opportunity to assist in establishing an automated dispensing system.

Candidate must be a graduate of a college of pharmacy approved by the American Council of Pharmaceutical Education; have a Florida licensure or be Florida-licensure eligible; have 3 to 5 years of experience as a Director of Pharmacy in a larger hospital setting; be a pharmacy leader who is professional, innovative, and can multitask; and have the ability to keep a team engaged and maintain their respect and confidence. A Masters degree in business or PharmD is preferred.
