

PHARMACISTS

Salary Range: \$7,937 - \$9,648/Month

San Joaquin General Hospital, a local, 196-bed, acute-care teaching hospital located in French Camp, has immediate openings for full-time, part-time, and per diem California-licensed pharmacists in both inpatient and outpatient departments.

The pharmacist interprets, prepares, and dispenses pharmaceuticals for inpatients/outpatients. Our pharmacists review orders to determine appropriate quantity, strength, and frequency of medication and to assure clinical, chemical, and therapeutic compatibility. Additionally, our pharmacists consult with medical staff, nursing staff, and ancillary professional staff regarding patient drug therapy regimens and supervise and check unit-dose distribution, filling, inventory and storage, and prepackaging activities of pharmacy technicians. Our pharmacists also conduct inspections, maintain records, and ensure compliance with pharmacy law and The Joint Commission.

Qualified candidates must possess a bachelor's degree in pharmacy or a doctor of pharmacy degree from an accredited college or university and a valid license as a registered pharmacist issued by the California State Board of Pharmacy.

Our rich benefit package includes health, dental, and vision benefits and vacation and holiday benefits for full-time and part-time benefited pharmacists; additionally, our full-time employees participate in the County's 1937 Retirement Plan with reciprocity with CalPERS. Per diem pharmacists are eligible for a 15% differential in lieu of benefits. For further details regarding the position and benefits, please visit our Web site at www.sjgov.org/hr and apply online.
