| Sample Policy: Extravasation of Antineoplastic Agents .....  | 25   |
| Summary of Extravasation Management for Antineoplastic Agents ....                                   | 30   |
| Sample Policy: Extravasation of Non-Antineoplastic Agents .....                                      | 31   |
| Summary of Extravasation Management for Non-Antineoplastic Agents.                                   | 34   |

|   |      |
|---|------|
| <b>Drug Monographs</b> .....                          | 35   |
| Preface .....   | 37   |
| Drug Monographs .....                                 | 38   |
| Drug Regimens for Oral Care and Mucositis .....       | 287  |
| <b>Appendix.</b>                                      |      |
| Appendix F: Common Toxicity Criteria .....            | 294  |
| <b>Drug Dialysis</b> .....                            | 295  |
| Preface .....   | 297  |
| Removal of Oncology Drugs by Hemodialysis .....       | 299  |
| <b>Y-Site Compatibility</b> .....                     | 311  |
| Preface .....   | 313  |
| Drug Monographs .....                                 | 315  |
| <b>Combination Regimens</b> .....                     | 379  |
| Preface .....   | 381  |
| Common Abbreviations of Chemotherapy Regimens .....   | 383  |
| Common Chemotherapy Regimens by Diagnosis .....       | 429  |
| <b>General Patient Education</b> .....                | 433  |
| Preface .....   | 435  |
| About Your Cancer Medicines.....                      | 437  |
| Resources for People With Cancer.....                 | 438  |
| Information About Specific Types of Cancer.....       | 441  |
| Information for Patients – Investigational Drugs..... | 443  |
| Using the Patient Treatment and Symptom Diary.....    | 445  |
| Patient Treatment and Symptom Diary .....             | 446  |
| <b>Patient Drug Information</b> .....                 | 447  |
| Preface .....   | 448  |
| Drug Monographs .....                                 | 448b |
| <b>Patient Symptom Information</b> .....              | 576  |
| Preface .....   | 577  |
| Symptom Monographs .....                              | 579  |
| Glossary of Terms .....                               | 615  |
