

# ACADEMIC PARTNERSHIP PROGRAM

Wolters Kluwer Health

**SCHOLARSHIP FOR DRUG INFORMATION**

# \$5K scholarship

## THE SCHOLARSHIP

The Wolters Kluwer Health Scholarship provides a \$5,000 stipend to a student pursuing advanced training specializing in drug information practice.

## ELIGIBILITY

Applicants must be enrolled in a post-baccalaureate education or training program with a major emphasis on drug information. Eligibility is restricted to persons in residency or fellowship programs who have earned, or are concurrently enrolled in a program to earn, an M.S. or Pharm.D. degree.

If academic and program requirements are concurrent, eligibility is restricted to individuals entering the final year of their program.

## SELECTION CRITERIA

The criteria for selection among the applicants include academic achievement, scholarly activities and professional attributes. Selection of the scholarship recipient will be made by the selection committee based on the evaluation of the application materials and personal references. The selection committee cannot consider any application that is incomplete, is received past the deadline date, or is not supported by all of the required data.

## AWARD/APPLICANT

The \$5,000 scholarship will be granted upon recommendation of the selection committee. Deadline for submission of applications is June 1, and the award will be presented approximately July 1.

*To obtain an application form and all the necessary instructions, please contact the appropriate person at your institution, or visit [FactsandComparisons.com](http://FactsandComparisons.com), click Markets tab, and select Academics Communities page.*
